

Strip-like laminations

Promoting hardwood use in structural wood products

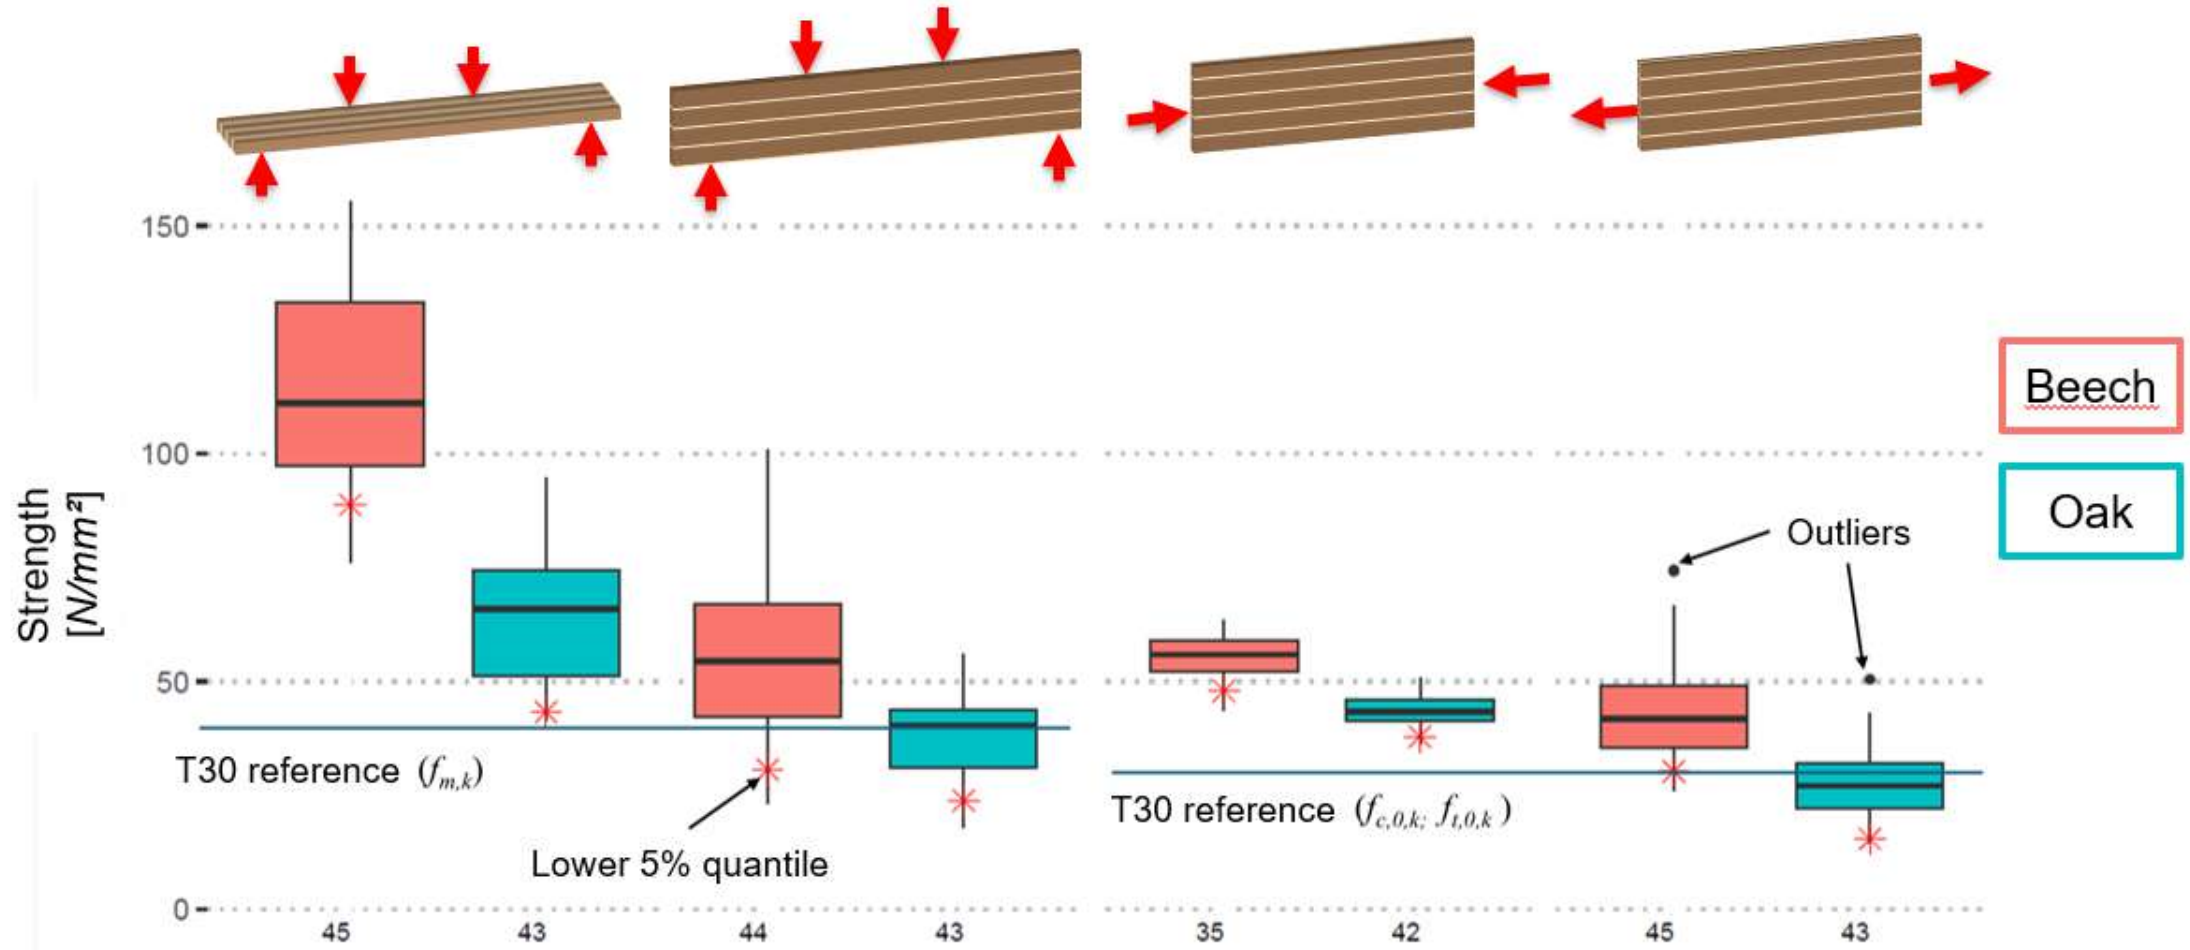

Simon Lux
Johannes Konnerth
Andreas Neumüller

Strip-like laminations - the concept

Performance of the Strip-like laminations

Hybrid layups of glued laminated timber

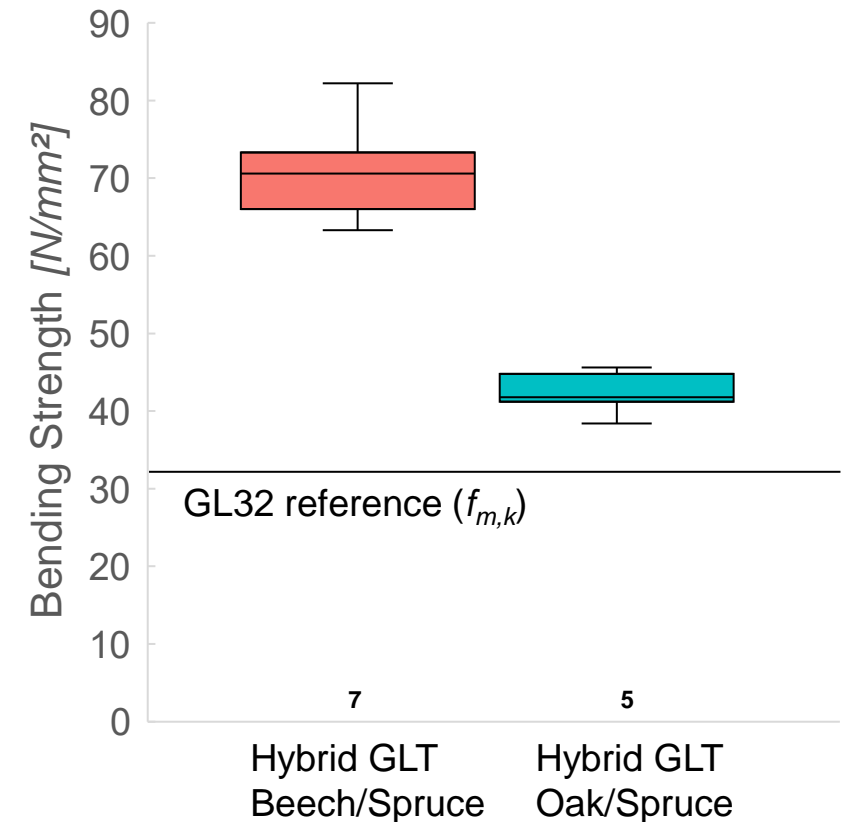

Production of hybrid GLT layups with oak/ beech
Strip-like laminations

4-Point bending tests of
the produced GLT
elements

Results of the 4-Point
bending tests with
references
